- Students will need to complete the shaded courses the Diploma in Biblical Studies. These are required courses.
- In addition, students wishing to graduate in a specific area of concentration will need to complete 5-6 elective courses pertaining to their major (see course catalog).
- Also, each student in his/her final semester before graduation should sign up for the course entitled: **CM 390 - Field Education**. At that time, a student should also register for **BI 390 - Biblical Research & Writing** to complete a final thesis project. * **Course offerings may be added, dropped, or changed at the discretion of the Bible Institute Director.**
